TRANSMITTAL LETTER

Mail Stop Amendment
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

The following documents are being transmitted via facsimile:

1. Response B (8 pages).
2. Petition for Extension of Time Under 37 CFR 1.136(a) (2 pages)
3. Copy of Notice of Non-Compliant Amendment (2 pages)

A total of 13 pages, including this transmittal letter, is being transmitted. This document is responsive to the attached Notice of Non-Compliant Amendment. The attached Notice was necessitated when the response filed via fax on May 30, 2007 did not contain a copy of page 8 which contained my signature. Although page 8 was part of the document processed through the applicant's fax machine on May 30, an image of page 8 was not received by the USPTO's fax machine. By resubmitting a complete copy of the response filed on May 30, the proposed amendment now complies with 37 CFR 1.4 which was the basis for the Notice.

If there is any problem with this transmission, please contact the undersigned.

Date: May 15, 2007

Respectfully submitted,

Stewart A. Fraser
